Today's Date

NAME: does hereby make application to the Town of Ransom Canyon for **WATER/SEWER/GARBAGE** services for the following premises:

STREET ADDRESS: **DATE OF OCCUPANCY:**

RENT **OWN**

MAILING ADDRESS (if different from above address)

These services are to be rendered exclusively by the Town of Ransom Canyon so long as services are provided. Subject, however, to the terms and conditions of this contract. No single service will be allowed without the remainder of the services offered by the Town being subscribed to, except for Water services only (without Sewage or Garbage) to a vacant lot for purposes of landscaping only or to a lot with ongoing new construction.

WATER RATES: Base rate for all meters, monthly - \$48.25 Water usage rates :

- * \$5.72 per 1,000 gallons for usage up to 5,000 gallons
- * \$7.22 per 1,000 gallons for usage over 5,000 gallons up to 14,000 gallons
- * \$8.20 per 1,000 gallons for usage over 14,000 gallons

A \$100.00 deposit for Water and a \$50.00 deposit for Sewer is required for each account established. Deposits are held until the final utility bill is paid. **This applies to all utility accounts.**

SEWER SERVICE: \$43.00

GARBAGE SERVICE: \$45.00 PER MONTH PLUS TAXES

Applicant further agrees to be responsible for all charges in accordance with these rates until notice from the subscriber of the Town is received at City Hall that the premises are being vacated or are being occupied by another party. This application becomes a contract only upon acceptance of the same by the Town of Ransom Canyon. If payment for services is made and is refused by the bank on which such is drawn, the City shall notify the customer. Any failure to pay said utilities and service charges on or before the 20th of the month will be penalized as a \$50.00 late fee on the existing unpaid balance at the end of each month. If payment is not received by the 20th day of the month, service will be disconnected without further notice. In the event services are discontinued because of non-payment, a \$100.00 service charge or \$150.00 after-hours charge will be added to make a re-connect and must be paid before the re-connect will take place.

I authorize the Town of Ransom Canyon to email me with information regarding my water account and other city services.

I authorize the Town of Ransom Canyon to release my contact information, including my address and email addresses to the Ransom Canyon Property Owner's Association.

§290.47(b) Appendix B. Retail Service Agreement for _____ (street address).

- I. **PURPOSE:** The Town of Ransom Canyon is responsible for protecting the drinking water supply from contamination or pollution which could result from improper system construction or configuration on the retail connection owner's side of the meter. The purpose of this service agreement is to notify each customer of the restrictions which are in place to provide this protection. The public water system enforces these restrictions to ensure the public health and welfare. Each retail customer must sign this agreement before the Town of Ransom Canyon will begin service. In addition, when service to an existing retail connection has been suspended or terminated, the water system will not re-establish service unless it has a signed copy of this agreement.
- II. **RESTRICTIONS:** The following unacceptable practices are prohibited by State regulations.
- A. No direct connection between the public drinking water supply and a potential source of contamination is permitted. Potential sources of contamination shall be isolated from the public water system by an air-gap or an appropriate backflow prevention device.
 - B. No cross-connection between the public drinking water supply and a private water system is permitted. These potential threats to the public drinking water supply shall be eliminated at the service connection by the installation of an air-gap or a reduced pressure-zone backflow prevention device.
 - C. No connection which allows water to be returned to the public drinking water supply is permitted.
 - D. No pipe or pipe fitting which contains more than 0.25% lead may be used for the installation or repair of plumbing at any connection which provides water for human use.
 - E. No solder or flux which contains more than 0.2% lead can be used for the installation or repair of plumbing at any connection which provides water for human use.
- III. **SERVICE AGREEMENT:** The following are the terms of the service agreement between the Town of Ransom Canyon (the Water System) and _____ (the Customer).
- A. The Water System will maintain a copy of this agreement as long as the Customer and/or the premises is connected to the Water System.
 - B. The Customer shall allow his property to be inspected for possible cross-connections and other potential contamination hazards. These inspections shall be conducted by the Water System or its designated agent prior to initiating new water service; when there is reason to believe that cross-connections or other potential contamination hazards exist; or after any major changes to the private water distribution facilities. The inspections shall be conducted during the Water System's normal business hours.
 - C. The Water System shall notify the customer in writing of any cross-connection or other potential contamination hazard which has been identified during the initial inspection or the periodic reinspection.
 - D. The Customer shall immediately remove or adequately isolate any potential cross-connections or other potential contamination hazards on his premises.
 - E. The Customer shall, at his expense, properly install, test, and maintain any backflow prevention device required by the Water System. Copies of all testing and maintenance records shall be provided to the Water System.
- IV. **ENFORCEMENT:** If the Customer fails to comply with the terms of the Service Agreement, the Water System shall, at its option, terminate service or properly install, test, and maintain an appropriate backflow prevention device at the service connection. Any expenses associated with the enforcement of this agreement shall be billed to the Customer.

CITIZENS COLLECTION STATION

The Citizens Collection Station is a gated area that contains four large roll-off containers for overflowing trash and landscape materials. The Station is located east of City Hall, beyond the water tower and RV lot. A white access card is needed for entry to this area, and each entry is recorded electronically. One white access card will be issued to each new resident. If an access card is lost, a replacement costs \$20.00 and will be issued only once. If the second card is lost, you will be required to contact City Hall during business hours to access the gate for you remotely. The gate will only be remotely accessed once a month.

The policies of the Station are as follows:

Residents will be allowed access to the garbage collection center 15 times in a calendar year without incurring additional charges; thereafter, a charge of \$100.00 may appear on your utility bill for each visit after the 15th use.

The Station will house roll-offs for the following purposes:

Grass and Tree clipping: Grass clippings must be bagged, and all tree clippings must be cut into pieces no larger than 2 feet.

Household Trash: Each roll-off is clearly marked. Please ensure you put trash in the properly designated roll-off. Do not leave any trash items on the ground around the roll-offs or outside the gate, as it will not be picked up with the roll-off when they are emptied.

**** Items made of metal:** This roll-off has been generously donated by Bobby Jarvis, and all proceeds from the recycled metal will be donated to the RCVFD. If there continues to be household garbage and other non-metal items in the bin, the company that has so generously provided this bin will remove the roll-off, and the RCVFD will no longer receive this donation.

The following items will not be accepted: Batteries, Carpeting, Furniture, Oil and Oil Filters, Pesticides and Insecticides, Sinks, Tires, Toilets, Wet Paint Cans.

****** All construction trash must be hauled out of Ransom Canyon

It shall be unlawful for any non-resident to utilize the garbage collection station; he/she will be fined \$100.00. Any resident who gives their white access card for use of the Citizen Garbage Collection station to a non-resident where it does not involve any direct services for the resident will also be fined \$100.00.

Let's Talk Trash!

Trash FAQ's

When does the trash get picked up?

- Trash pick-up is on Tuesdays and Fridays

Why didn't my trash get picked up?

- The trash truck comes in the wee hours of the morning. Set out your trash the night before to ensure pick up.
- Trash must be contained in the polycart provided by the company. Trash in bags or in other containers will not be picked up.
- Your polycart was blocked by a car or was otherwise not in a position for the truck to reach it. The cart must not be within 3 ft. of any obstruction and the lid must open toward the street.
- The landfill was closed. The landfill closes on major holidays and because of extreme weather conditions such as mud, snow, ice and dangerously high wind. City Hall will send an email announcing interruption of service—please be sure we have your email address

What do I do if my trash isn't picked up?

- Leave your polycart in place until the trash is picked up. If trash service is delayed because of equipment failure, etc., they will make every attempt to finish the route later in the day or pick it up the next day.

What about trash that doesn't fit in my polycart?

- The Citizen's Collection Station, located east of City Hall, is a gated area containing large dumpsters for extra household trash, tree and grass clippings, and metal for recycling. Residents must obtain a key fob from City Hall in order to access this area.

My polycart is broken. How do I get a new one?

- Call City Hall we will contact the garbage collection company to request a replacement for you.

Can I have more than one polycart?

- Yes, for an additional monthly garbage charge of \$45.00

Other questions?

- Please call City Hall.

Please Don't be a Trashy Person!

- ♦ Bag all trash before putting it into the polycart. Loose trash can blow out and litter the Canyon; it also can attract scavenging animals.
- ♦ Roll your polycart back up to your house when it is empty. This keeps our City beautiful and prevents polycart damage and loss due to the wind.
